Most classrooms will have a school fee of approximately \$20.00. This fee will cover the cost of the agenda (\$4.50), art supplies, and other essentials (field trips). Some classes may require more funds for additional activities and events. We encourage students to use materials from previous years. Students are requested to **LABEL ALL SCHOOL SUPPLIES, CLOTHING AND FOOTWEAR.** All students need a pair of inside running shoes (to be kept at school all year) for gym and/or inclement weather. When purchasing shoes/runners for your child please do not purchase any with dark soles, if possible, as they mark our school floors.
