## Band News

What an exciting spring it has been for band! We have loved our mini-full band rehearsals that began in April and are so proud of the learning our students are doing blending several parts together. We are also having a blast with our extra-curricular jazz bands that our Grade 7/8s have the opportunity to join!

May will be filled with fun rehearsals with new music, a video recorded concert, a joint Grade 8/Martin Collegiate rehearsal, and end-of-year celebrations!

Congratulations to our students for another wonderful year filled with music, we are so proud of how much our young musicians have achieved this year.
